Foot & Calf Massager

Targeted relief  
for feet and calves

Figure-Eight®  
Technology

*"The CirQlation® Foot & Calf Massager with Figure-Eight® Technology pampers tired feet and relieves sore muscles. The result is improved circulation to the legs, relaxed essential postural muscles, reduced pain and a feeling of well-being."*

*– Dr. Jon Stucky, Doctor of Chiropractic, HT Wellness Council*

## Give boring old furniture a 180-degree turn.

Put your feet and calves into one of the most advanced pieces of furniture you'll ever experience. The Human Touch® CirQlation® Release delivers the very latest in three-dimensional, robotic foot-and-calf massage technology, and quickly turns into a comfortable footrest. With a quick 180-degree turn, convert the stylish CirQlation® Release into an expert massage therapist.

Human Touch is the only company in the world to use Figure-Eight® Technology in our foot-and-calf massagers, ensuring a superior kneading massage that improves blood circulation to relieve sore, tired muscles. The ottoman rotates to enhance your comfort, and can be used with any chair for a rejuvenating massage at home or in the office. The CirQlation® Release massages the calves in an upward, rolling or wave-like motion, circulating blood from the feet toward the core of the body, allowing fresh nutrients to re-enter the calves and feet for greater healing and soothing comfort.
