

Compose Your Own Retreat

We all need an escape from the stresses of daily life. Let the Human Touch® Opus become your sanctuary; designed to calm and rejuvenate your entire body. The Opus showcases a variety of relaxation-enhancing features, including the advanced 3D FlexGlide® 360 massage system that diminishes the tension built up in your back and shoulders, and Targeted Muscle Benefit programs so that you can customize your massage. Just like a timeless symphony, the Human Touch Opus is a massage masterpiece designed to soothe your mind and body into a place of perfect harmony.

OPUS

WHERE DO YOU WANT TO FEEL BETTER®?

Simply point to where you need relief on the BodyMap PRO® remote and get instant access to the targeted muscle benefits.

HUMAN TOUCH OPUS FEATURES

3D FLEXGLIDE 360 MASSAGE ENGINE

Every contour of your body is therapeutically touched by the unparalleled flexibility and seamless glide of our patent pending 3D FlexGlide 360 massage engine

GO TO ZERO®

One-step press and hold moves the Opus into the zero-gravity position, the physician recommended neutral-posture position that relieves pressure on the spine at any recline angle.

CUSTOM MASSAGE & COMFORT

Manually set your preferred massage programs to your desired intensity with the easy-to-use remote. Enjoy the foot, seat, and heated back massage all at once or independently.

LUMBAR HEAT

Using warm air patented technology, two lumbar heat modules gently envelope your back, soothing tight muscles and relieving pain.

FULLY ENCOMPASSING FOOT & CALF MASSAGER

The fully encompassing foot-and-calf massager is designed for a therapeutic massage complete with vibration and proprietary Figure-Eight Technology that helps push the blood flow in an upward motion to improve circulation. Under-foot rollers provide a reflexology massage while the foot-and-calf massager extends to your desired position, and also rotates to a traditional ottoman. To help keep your foot massager clean, simply remove the washable Easy Sleeves®.
